CAREER OBJECTIVE

Aspiring Java Full Stack Developer with knowledge of Java, Spring Boot, MySQL, HTML, CSS, and JavaScript. Seeking an opportunity to contribute to software development projects while enhancing technical and problem-solving skills.

EDUCATION

B.E. Computer Science and Engineering

CGPA: 7.96

Erode Sengunthar Engineering College, Thudupathi

Higher Secondary Education

Percentage: 76%

Komarappa Sengunthar Higher Secondary School, Chennimalai

SKILLS

Programming Languages: Java, JavaScript

Frontend Development: HTML, CSS

Backend Development: Spring Boot, REST APIs

Database: MySQL

Tools & Platforms: GitHub

INTERSHIP

Full Stack Development Intern

Online

Navodita Infotech

03/2026 – 04/2026

- Collaborated on full-stack web development tasks using Java, Spring Boot, and React framework.
- Constructed functional web modules and acquired hands-on experience in seamless backend integration.

PROJECTS

Attendance Management System

Tech Stack: Java | Spring Boot | MySQL | HTML | CSS | JavaScript

- Engineered a robust web-based attendance tracking system for monitoring student records across departments.
- Designed an interactive dashboard with real-time attendance reports and streamlined CRUD functionalities.
- Integrated Spring Boot REST APIs with MySQL, achieving efficient and reliable backend data management.
- Constructed responsive frontend interfaces using HTML, CSS, and JavaScript, ensuring cross-device compatibility.
- Architected a scalable database schema for structured and optimized attendance records management.

Job Portal

Tech Stack: Java | Spring Boot | MySQL | HTML | CSS | JavaScript

- Spearheaded the creation of RESTful backend APIs using Spring Boot to handle job listings and applications.
- Implemented CRUD operations for job postings and user profiles, ensuring accurate and efficient data handling.
- Integrated MySQL database for organized storage and streamlined retrieval of employer and candidate information.
- Organised layered architecture using Controller, Service, and Repository patterns for clean, maintainable code.
- Conducted comprehensive API testing and validation using Postman to ensure seamless portal performance.

SOFT SKILLS

Communication | Teamwork | Problem Solving | Time Management

CERTIFICATIONS

Frontend Web Developer — Infosys Springboard

Programming in Java — NPTEL
